No.D3-7581/45 dated 15th January, 1947.

Sir,

Sub: Sericulture - Central Silk Farm, Kollegal - Rearing Section - expenditure - proposals for additional expenditure - sanction - requestion

Ref: G.O.No.MS.1832, Development dated 13-8-1943.

In the G.O. cited, Government sanctioned the following along with other items under recurring expenditure for the Central Silk Farm, Kollegal.

	Rs.
1. Maintenance of garden at Rs.80/- per acre for 12 acres	960
2. 8 Rearing boys for 2 shifts at Rs.15/- p.m each without Dearness allowance	1,440
3. Contingencies @ Rs.50/- p.m.	600
	3,000

The Assistant Sericultural Expert (Mulberry Research) who is in charge of the Farm has reported that due to increase in the cost of living and increased cost of manures, it has been difficult for him to limit the expenditure to the amount sanctioned by Government. The expenditure on account of the maintenance of a pair of bulls which was purchased for the use in the Farm - vide G.O.MS.No.6044, Development dated 1-8-1945, has also to be met from Farm funds. The labourers sanctioned for the Farm are now being paid Dearness allowance at Rs.16/- p.m. as they are monthly paid men required permanently for work in the Farm He has, therefore, applied for sanction to increase the provision from Rs.3,000/- to Rs.5,600/- as shown below, and the Sericultural Expert recommends the same.
